RUM REBELLION 18

The 1808 Rum Rebellion overthrew Gov. William Bligh with a military coup and paid its officers in rum, this goes one better with a hint of butterscotch.

The six o'clock swill had everyone rushing to the bar -
but slow it down, this one is meant to be enjoyed.

lemon myrtle, grapefruit bitters*

Don't be fooled by the double hit of bourbon - the honey & sage combo will steal all the glory. This one is a smooth number.

OUR HISTORY

The name 'The Push' is synonymous with a Blues & Jazz Club that operated in The Rocks in the 1970's, known as 'The Rocks Push'. Its demise occurred in the early 80's when the building in which it operated was demolished.

The Rocks Push was associated with Jazz promoter Horst Liepolt and regularly featured Galapagos Duck and others, delivering a repertoire of Swing, mainstream Blues, Jazz and Latin Jazz.

The origins behind the name go back to the early 1800's when a group of larrikins formed a gang called 'The Rocks Push' which terrorised the area and sailors frequenting The Rocks.
